THIS IS STRONG VINCENT'S BIGGEST YEAR
The Twentieth Anniversary!

Won't you join our Colonel in surveying these pages, seeing familiar sights that will always have a place in our memories? The work and play, laughter and sorrows, hopes and despairs are all a part of the thing that will make Vincent live inside of us in years to come

FOREWORD

He's the man:

Who stands uncompromisingly
for the best

Who accomplishes a tremendous
amount of work in his quiet,
capable and efficient manner

Who offers encouragement, and
knowledge and understanding
to others

Who works untiringly for the
advancement of education

*He's Mr. Leo A. Armagost, to whom,
with great sincerity and pleasure,
we dedicate the 1950 Spokesman*

Publication of the SPOKESMAN requires an enormous amount of time, effort and the cooperation of many people. But the staff members pictured on these pages have had responsibility for much of the creative work: cover, art work throughout, photography, write-ups, mounting of prints and lay-out of pages.

We have tried to provide a complete and permanent record of school life during this memorable year. We hope that you like our efforts.

PRINCIPAL

Strong Vincent High School is organized and administered so that qualified teachers may provide, through the medium of a broad curriculum, for the instruction and guidance of pupils.

Youth comes here seeking opportunities to add to their knowledge and to receive direction in all areas of living. As the way of life becomes more complex, our curriculum must be changed and expanded.

The present breadth of the curriculum of our school is clearly indicated in the pages that follow.

The SPOKESMAN Staff is congratulated upon its success in portraying Strong Vincent High School in this anniversary year.

BUREAU OF EMPLOYMENT AND UNEMPLOYMENT COMPENSATION
HARRISBURG
502 G. Daniel Baldwin Building
Erie, Pennsylvania

Mr. Victor Raymond
Strong Vincent High School
1330 West 6th Street
Erie, Penna.

Dear Sir:

The local committee on National Employ the Physically Handicapped is pleased to announce that your essay on "Why Not Hire the Handicapped" has been selected for further competition in the nationwide contest on this subject. Your winning essay has already been forwarded to Harrisburg, Penna. to compete in the State finals.

We wish you success and hope that your essay is a further winner.

Very truly yours,

Carl J. Minszenberger
Chairman NEPH Committee

VICTOR RAYMOND

Victor Raymond, a 12-1 student, won the 1949 contest for his prize winning essay entitled, "Why Not Hire the Physically Handicapped."

Each year, the Pennsylvania State Employment office has sponsored these contests to bring before the public's eye the need for hiring those people with an infirmity. By having these contests, it has helped to stimulate the necessity of employment for these people.

TESSIE DUNDON

Tessie, musical comedienne, won the teli-auditions at WICU, and the Millcreek Kiwanis audition held at Strong Vincent. As a result, she was awarded a trip to New York City to appear on the Ted Mack Original Amateur Hour Show. Tessie has appeared on thirty benefit shows, four television programs, and in Life Magazine.

ARTHUR WEIBEL

On Friday, December 9, 1949, the Pennsylvania State Association of Health, Physical Education, and Recreation presented its highest award to Arthur Weibel, swimming mentor, civics teacher, and part-time consultant at Vincent. The key and certificate represent meritorious service in the field of physical education and health.

Mr. Weibel is noted throughout the state for his champion swimming teams, and throughout the country for his ability as an outstanding coach. The team, this year, took the regional title, the district title for the fourth consecutive time, and has had thirty-four straight wins, a great record, indeed.

DR. JOHN HICKEY

Dr. John Hickey is the recently appointed Superintendent of Erie Schools. He attended Wilson Junior High School and was graduated from Academy High School. Later he received his B. S. degree from Edinboro State Teachers College, and his M. A. and Ph. D. degrees from the University of Pittsburgh.

Dr. Hickey has constantly kept pace with new educational developments in methods and theory, but at the same time, has never lost touch with his students and fellow-teachers.

The best of luck, Dr. John Hickey, in your new job.

TOM BUEL

Tom Buel was selected by the Booster Club as the "outstanding player of the year." He played an end for three years and was elected captain in his senior year. The club unanimously chose Tom, because of his ability as a player, his co-operative attitude toward team-mates, and physical and moral support toward the team.

AMERICAN LEGION MEDAL

Honor—worthy of consideration and respect.

Courage—meeting danger or opposition with calmness and firmness.

Service—performing a task in the interest of others.

Leadership—having guidance and the qualities of a leader.

Scholarship—maintaining a high standard in learning and education.

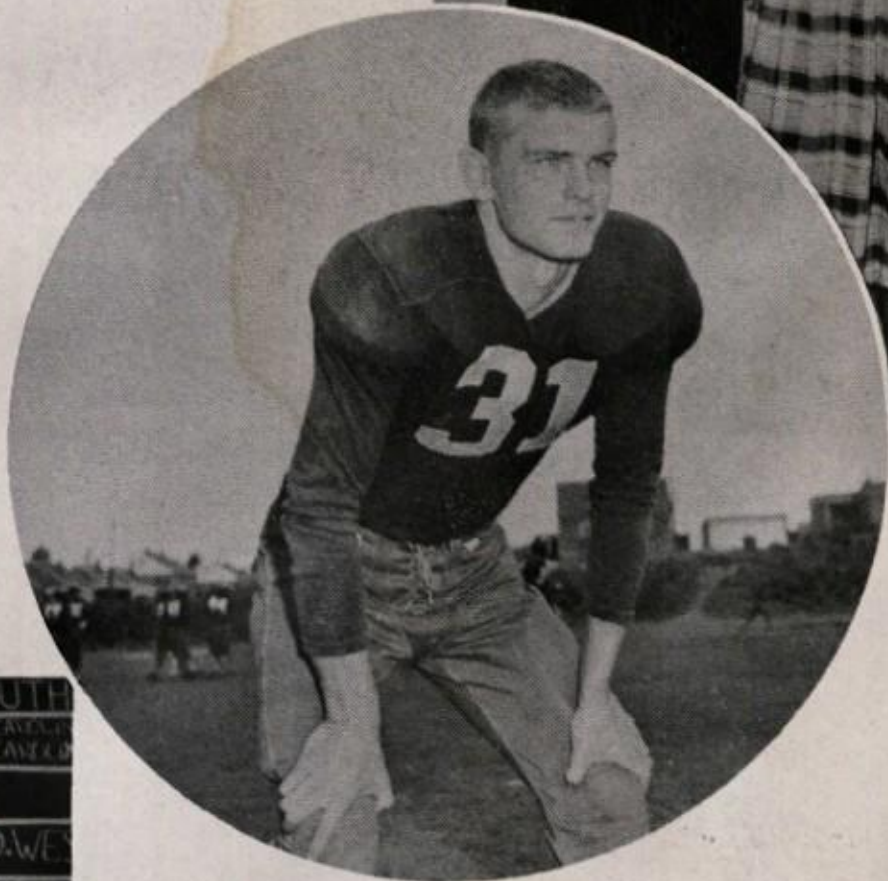

Americanism — having American spirit and allegiance to one's country and flag.

Mead Payne, Anne Frick

Every year the Presque Isle Chapter of the D. A. R. presents its Good Citizenship Medal to a ninth grade boy and girl. These students must be outstanding in Honor, Service, Courage, Leadership, and Scholarship, the ideals that the society holds most worthy.

Right: John Dwelle, Sara Schabacher.

ROBERT FOGLE

Bob Fogle, track and football ace, was awarded the Jewish Veterans Trophy, September 23, 1949, for his outstanding performances on the cinderways. Bob's specialties were the 200 Yard Dash, which he ran in 23.5 seconds, and the low hurdles in 23.9 seconds. In 1949, he tied the record at the City Track Meet in the 100 Yard Dash with a run of 10 seconds flat.

DR. LEROY BARBER

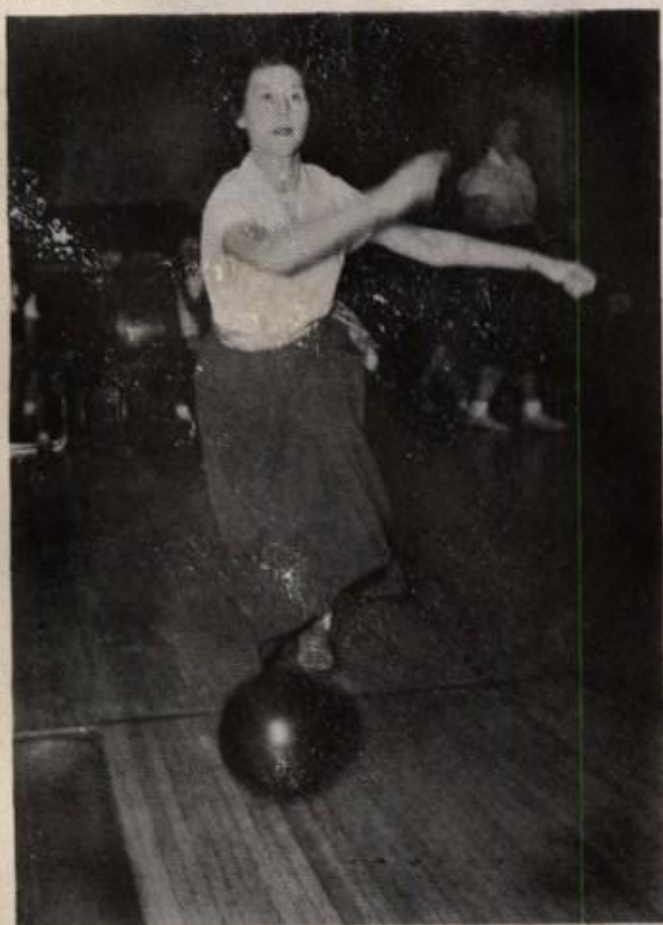

Leroy E. Barber, a member of the Vincent mathematics department, was awarded a Doctor of Education degree at the February University of Pittsburgh convocation. He has completed his graduate work in the fields of secondary education and administration.

Dr. Barber received his diploma from Erie East in 1928; a B. S. in Education degree from Edinboro State Teachers College in 1933; and a Master of Education degree from the University of Pittsburgh in 1941. In addition, he has taken graduate work at the University of Southern California, and he has attended the Eastern Coaching Clinic conducted by Clair Bee of Long Island University.

The later experience was put to good use during the basketball season of 1946-47, when he coached the Vincent Varsity to a shared title with Prep. He retired from coaching at the end of that season, content to rest on his laurels.

Dr. Barber started his teaching career at Tech High in 1937; he was transferred to Roosevelt Junior High in 1942, and later became a member of the Vincent faculty.

His teaching duties were interrupted for the two year period 1943-45, during which time he saw service in the Field Artillery.

SALLY GRIESBACH

Sally Griesbach was the highest scorer in the school bowling league. Although she had bowled only one year, she was elected captain of the Colonels team this year. Her average was 127, with 200 the highest game bowled.

AUDREY MEHNE

Audrey Mehne, Y-Teen President and champion twirler, was elected the president of the Tri-Council last fall. The Tri-Council is composed of officers from the cabinets of the various high schools in this district, and strives for directing club activities and work for the spirit of friendliness and co-operation among girls.

Long active in Y-Teens, Audrey attended the Y-Teen conference last summer held at Camp Forty Acres, and she also attended the winter conference held at Bradford, Pennsylvania.

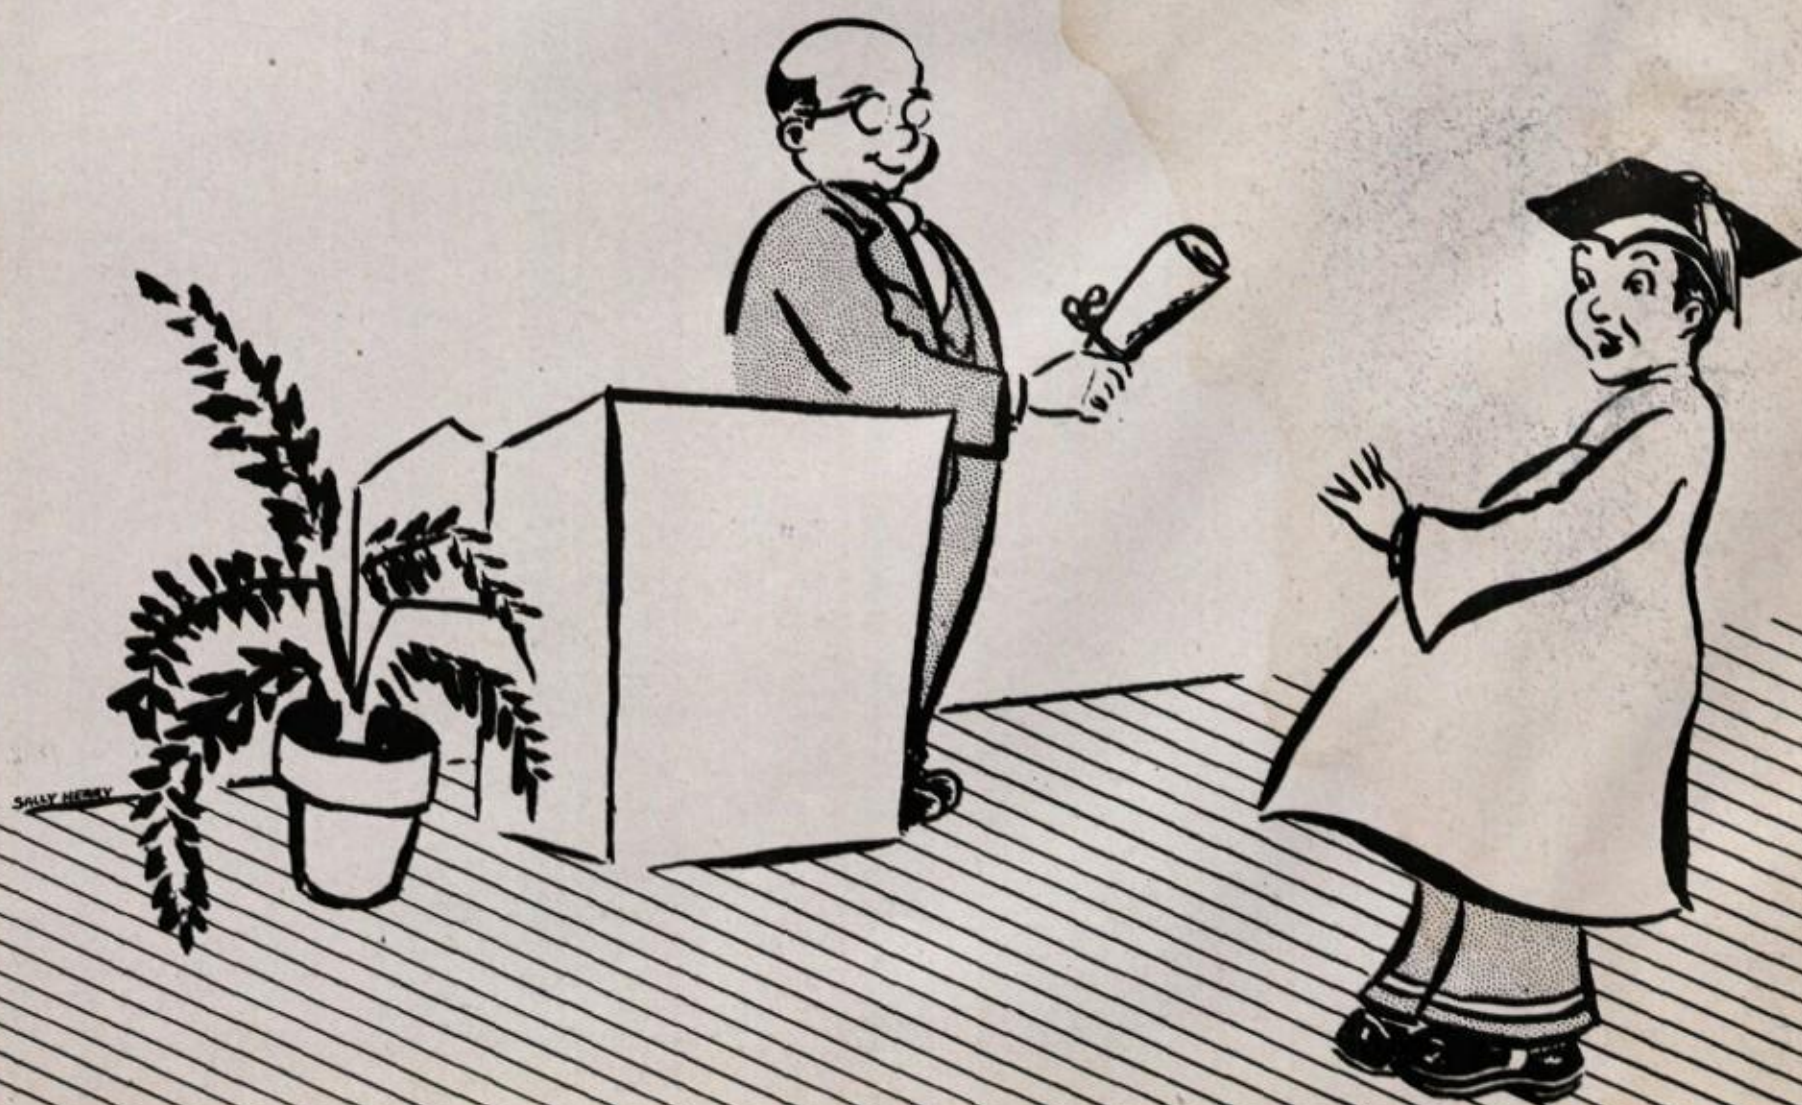

KEREN SCHLURAFF

At the City Recreation Girls' Swimming Meet, Keren Schluraff was awarded one of three trophies, given on basis of ability, leadership, and sportsmanship. In her first participation at this meet, Keren took first place in diving, second in freestyle, and was one of the four girls in the relay which broke the previous record.
